

INTRODUCTION TO *THE ROCKEFELLER FILE*

Dear Reader:

The super-rich in America enjoy power and prerogatives un-imaginable to most of us. Who can conceive of owning a private empire that includes 100 homes, 2,500 servants, untold thousands of luxuries, and untold millions of dollars? America has a royal family of finance that has known such riches for generations. It is, of course, the Rockefellers.

But if the Rockefellers were content with their wealth, if their riches had satisfied their desires, this book would not have been written. And I would not be urging you to read it. Money alone is not enough to quench the thirst and lusts of the super-rich. Instead, many of them use their vast wealth, and the influence such riches give them, to achieve even more power. Power of a magnitude never dreamed of by the tyrants and despots of earlier ages. Power on a world wide scale. Power over people, not just products.

The Rockefeller File is not fiction. It is a compact, powerful and frightening presentation of what may be the most important story of our lifetime, the drive of the Rockefellers and their allies to create a one-world government, combining super-capitalism and Communism under the same tent, all under their control.

For more than one hundred years, since the days when John D. Rockefeller Sr. used every devious strategy he could devise to create a gigantic oil monopoly, enough books have been written about the Rockefellers to fill a library. I have read many of them. And to my knowledge, not one has dared reveal the most vital part of the Rockefeller story: that the Rockefellers and their allies have, for at least fifty years, been carefully following a plan to use their economic power to gain political control of first America, and then the rest of the world.

Do I mean conspiracy? Yes, I do.

I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent. You will find the truth-often surprising, sometimes unpleasant, always vital-in the pages that follow. Gary Allen has done a masterful job of combining the hundreds of scattered facts and hidden clues of the Rockefeller puzzle until one unmistakable pattern emerges.

The picture that is revealed when *The Rockefeller File* is finally opened may shock you. In this book, you will learn why the Rockefellers follow the policies they do, what their goals are, where they intend to take America and why it is essential they be stopped.

I urge you to read *The Rockefeller File* and to encourage your friends to do the same.
